Dear Pharmacy:

This notification is to inform you of a new plan, Virginia Premier Elite Plus, which will begin rolling out on August 1, 2017. This plan is driven by the Department of Medical Assistance Services (DMAS) and is geared towards individuals who have disabilities and/or are 65 years of age. This means that Virginia Premier Elite Plus patients may or may not be dually eligible (eligible for both Medicare and Medicaid).

Below is copy of our Member Identification Card for Virginia Premier Elite Plus. The member's RxGRP will show as either VAPRNOND or VAPRDUAL. Depending on the member's enrollment into the plan (dual eligible or not), their formulary coverage will be different.

Patients under group **VAPRNOND** will have coverage similar to traditional Medicaid HMOs.

Patients under group **VAPRDUAL** will only have coverage for OTC medications; please ask the patient for his or her Medicare Part D card for coverage of traditional Medicare Part D medications.

If you have any questions or need assistance processing a claim for a Virginia Premier Elite Plus patient, please contact our Pharmacy Help Desk at 1-855-872-0005.

Sincerely,
EnvisionRx
